CLAUDINE RAOBELINA

Master of Engineering in Agricultural Sciences

Ecole Supérieure des Sciences Agronomiques d'Antananarivo

Personal website: <https://claudine.raobelina.com>

PROFESSIONAL EXPERIENCE

08/2024 – present

Trainer in Nutrition and Nutrition-sensitive Agriculture

Food and Agriculture Organization, Madagascar

- Trainer of Farmer Field School facilitators on the topic of Nutrition-Sensitive Agriculture as part of the DEFIS program in the Southeast regions
- Developing training materials
- Conducting monitoring activities within the Farmer Field School

07/2024 – present

Consultant in Nutrition and Nutrition-sensitive Agriculture

Brains Research Office, Madagascar

- Conducting multiple workshops on Nutrition-Sensitive Agriculture and the importance of the nutritional aspect within farmers groups
- Data collection, focus groups, and interviews with key informants in the intervention area for the final project evaluation
- Report writing, data processing, and interpretation of results

09/2023 – 02/2024

Consultant in Nutrition and Health

Madagascar Access for New Opportunities Cabinet – Mano, Madagascar

- Performed nutritional diagnostics and the feasibility study of solutions in the commune of Marolinta in the Androy Region

11/2023 – 01/2024

Consultant and Member of the Mikasa Researcher Platform
